

# Gympik Merges With **roundglass**

We are delighted to merge with the leading wellbeing firm **RoundGlass**. As a result of this merger, Gympik will now become **RoundGlass Gympik**.

RoundGlass was founded on the aspirational goal of providing solutions which enable every individual to put holistic wellbeing at the center of their life's journey. Their goal is to create a vibrant wellness ecosystem, bringing technology and human energy together as they break new ground on the path to personal wellbeing, and inspire and empower people to take their own self-actualized wellbeing journey. You can read more about RoundGlass here <https://round.glass>

As India's largest fitness technology & discovery leader we pledge our relentless commitment to enabling your success and delivering the benefits we expect from this merger.

Thank you for your continued support!
